Final Marriage Information Form

St. John the Merciful Orthodox Church

(To be completed by the Bride and Groom prior to the wedding)

Please complete this form carefully and completely. This information will be used to prepare the official parish marriage record. Names should be written exactly as they are to appear in the Church record.

Marriage records are not just administrative details—they become part of the living memory of the Church. Long after the wedding day has passed, these records serve as a lasting witness to what God has done, and they are often the very documents families and future generations rely on to understand their history. Much of what we know about our ancestors—names, places of origin, family connections—has been preserved through parish records like these. By completing this form carefully and accurately, you are not only helping us fulfill our responsibility as a parish, but also contributing to a record that may serve your children, grandchildren, and generations yet to come.
